

14 July 2017

Dear Parent/Carer

During Enrichment Week, all Art Society students will spend Thursday 20 July at the Glassworks Sixth Form Centre, which is located in the town centre. Students can either meet and be dismissed from there, or they will be transported via minibus from the main site.

Students who have free school meals will still receive these meals at the Glassworks Centre. Other students are encouraged to bring their own lunch, however it will be possible to buy drinks and light snacks at the Glassworks Centre.

Your son/daughter is welcome to meet at the Glassworks by 8.25am, or they can meet at the Academy and be transported there. The shuttle will start at 8am, and students are advised to meet at the Academy before 8.15 if possible. Students have been asked to inform their Head of House if they wish to make use of the shuttle service.

Please remember that the bus companies are unable to accommodate our earlier finish, and students who normally travel home from school by bus are encouraged to make their own arrangements. Students wishing to return to the Academy and wait for the school bus will be transported back to the Academy at 3pm, where they will be supervised until 5pm.

Students are expected to wear their house top and PE shorts/skort on this day. They must also remember to bring their planner with them as they will not be able to enjoy the activities without it.

Yours faithfully

Miss A Wood

Assistant Principal: Enrichment and Community
