

Friday 8 June 2018

Dear Parents/Carers,

Year 11 exams

We are coming towards the end of the summer exam season and would like to thank parents, carers and pupils for their support and commitment to study during this stressful time.

On Tuesday 12th June pupils who still have outstanding course work and morning exams are still expected in school. Pupils who have no outstanding work or exams will not be expected to attend school and may leave site after the exam.

The school will continue to provide additional support in morning revision sessions which will be running prior to every morning exam 08.00 – 08.30 with subject leaders. In addition to this a Science revision morning will be held on Thursday 14th June from 09.00 – 11.00 in rooms 103 and 104 to help pupils prepare for the physics exam on Friday 15th June.

Final week exam timetable

Date	Time	Length	Subject
Mon 11 June	09:00	01:15	Combined Sci Trilogy Biology
Mon 11 June	13:30	01:30	Geography Investigations
Tue 12 June	09:00	01:30	Calculator
Wed 13 June	09:00	01:15	Combined Sci Trilogy Chemistry
Fri 15 June	09:00	01:15	Combined Sci Trilogy Physics

Pupils will still be required to register every day in their House at 8.30am.

We would again encourage all pupils to have a good breakfast in the morning before their exam and ensure they are well rested the night before. There is also a free breakfast available for pupils from 07.45 to 08.15 daily in school.

If you are unsure whether your child has outstanding work or if you require any further information with regards to the above please do not hesitate to contact your student's Head of House or the appropriate member of teaching staff.

Finally, on behalf of the staff I would like to wish all our pupils a happy summer holiday and we look forward to seeing you on results day.

Yours sincerely

Wesley Carroll
Head of School
