

28th November, 2018.

Dear Parents and Carers,

I am delighted to write to you to announce that we have appointed Miss Louise Feaver and Mr Wesley Carroll as Co-Principals of Folkestone All Age Academy.

Miss Feaver will serve as Principal Primary and Mr Carroll as Principal Secondary. Their appointments follow an extensive search and process from which it was clear that the highest calibre candidates to meet the needs of our community were already within our family.

Mr Jason Feldwick, who has been providing executive support since September, has now returned to his substantive post in Maidstone.

In addition to being supported by the Local Governors, Miss Feaver and Mr Carroll will be further supported by the Trust's Director of School Improvement, Mr Peter Gale, a distinguished leader and former member of Her Majesty's Inspectorate (HMI).

I hope you will join me in congratulating Miss Feaver and Mr Carroll on their appointments and I know that they are already embracing working in partnership in the service of your children's education.

Yours sincerely,

Dr Jo Saxton,  
Chief Executive Officer.

Mrs Lesley Farmer,  
Chair of Governors.

Mr John Bushby,  
Parent Governor.
