Fiennes House Update

We approach the Easter break reflecting on another two terms of this academic year. We have seen an improvement in attendance which is fantastic, may this continue. There has been a shift in behaviour, for the most being extremely positive which reflects well on the students and the House. We have had some changes over the past term with Mrs Smith being poorly and Mrs Houston stepping into Fiennes as acting Guidance Manager; the students have all responded well to Mrs Houston and welcomed her into the team with open arms. I would like to thank Mrs Houston for all her hard work and commitment to supporting Fiennes House students, you will be missed. We look forward to welcoming Mrs Smith back after the Easter break.

Fiennes House students have been preparing for the House Drama competition which will take place at the end of this current term with the help and guidance from Miss Griffiths and Miss Aird – We wish those taking part the best of luck and we look forward to reporting on this in our next newsletter.

Fiennes House Charity Day

Fiennes House will be raising money for the Ronald McDonald Charity who provides a 'home away from home' service for parents with children who are in hospital.

We are very honoured to be supporting this particular charity that supported one of our very own Fiennes House tutors.

Tutor Group of the term

Each break we always nominate a tutor group of the term. I would like to take this opportunity to congratulate G2 for their efforts over the last two terms. G2 students have consistently demonstrated hard work and commitment to Fiennes House events.

Mrs Houston and I would like to wish all of our Fiennes House students and their families a very Happy Easter and a safe break. We look forward to continuing to achieve great things in terms 4 and 5.
